SUPPLEMENTAL RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to a telephonic conference conducted with Examiner Julie Yun on November 14, 2003, please enter this Supplemental Response and attached Terminal Disclaimer into the file of the above-identified application.

Interview Summary

A telephonic interview was conducted between Examiner Jurie Yun and William Athay, attorney for Applicant, on November 14, 2003. In the interview, Examiner Jurie Yun indicated that Claims 9-20 are allowed and Claims 1-8 stand rejected under the judicially created doctrine of obviousness-type double patenting over claims 1-8 of U.S. Patent No. 6,175,184 B1 in view of U.S. Patent No. 5,663,608 to Jones et al.

As agreed upon with the Examiner, Applicant has submitted herewith a terminal disclaimer to overcome the double patenting rejection of the claims. Accordingly, Applicant respectfully requests that the rejection of claims 1-8 under the judicially created doctrine of obviousness-type double patenting be withdrawn.

In view of the foregoing, Applicant respectfully requests the prompt allowance of the present application. In the event the Examiner finds any remaining impediment to allowance of this application that could be clarified by a telephone interview, the Examiner is respectfully requested to contact the undersigned attorney.

Dated this 14th day of November 2003.

Respectfully submitted,

William J. Athay
